---

**(a) Copy of Claim.**

Unless the Court orders otherwise, on an objection to claim, a copy of the claim, absent any attachments or exhibits, shall be included.

**(b) Factual Dispute.**

Where a factual dispute is involved, the initial hearing on an objection shall be deemed a status conference at which the Court will not receive evidence. Where the objection involves only a matter of law, the matter may be argued at the initial hearing. Any notice of hearing on a claim objection shall so state.
